 - Tools of war (grenade, helmet, canteen, gas mask, etc.)*

 - Other (Mrs. Rehm has to approve)
- _____

My SPECIFIC ARTIFACTS choice are:

_____ OR

Now go to today's SS Weebly and open the research links document. Visit AT LEAST 2 sites per artifact option to help you narrow down your choice. You also may want to check out a few other sites that interest you in case you get inspired to pick a different artifact.

After doing some preliminary research, I have decided that I will research and create

_____.

- I understand that I will need to have a plan for how I will construct this artifact, and obtain my own materials to do so.
- I understand that I won't make my parents run to the store the night before the project is due to get my materials for me.
- I understand the "musts" from the rubric; I know what it takes to get an A.
- I understand that a "pretty artifact" is cool, but it's only half of my grade. The museum textbox is worth 50% of my grade, so I will do a great job researching my artifact and writing my textbox.
- I understand that the artifact and museum textbox are due Friday, March 2.
